RE: Sales and Use Tax Exempt Organizations or Institutions Certificate of Exemption

The Tennessee Department of Revenue has issued this exemption certificate in accordance with Tenn. Code Ann. § 67-6-322 or § 56-25-504 for the educational, religious, historical, or charitable non-profit organization or institution named on the enclosed certificate. This organization or institution qualifies for the authority to make sales and use tax exempt purchases of goods and services that it will use, consume or give away. This authorization for exemption does not extend to sales tax that the organization must collect or pay on its regular sales of goods or taxable services.

This authorization for exemption is limited to sales made directly to the referenced organization. This exemption certificate may not be used for sales made to individuals paying with personal checks or personal debit or credit cards, even if the individual is a representative or employee of the organization, and he or she will be reimbursed for the purchase. Sellers must refuse to accept the certificate when the sale is made to someone other than the organization.

This exemption certificate may not be used to make purchases without the payment of sales and use tax for other locations and may not be transferred to or used by any other person.

The taxpayer must furnish its supplier(s) at the time of purchase with a COPY of the enclosed certificate with the lower portion properly completed. The original certificate should be retained for copy purposes. The supplier must maintain a file copy as evidence of the sales tax exemption.
